ATESS offers overall system monitoring solution that collects operation data from each equipment in the system. Monitoring ATESS provides overall system monitoring solution on both PC and mobile for real-time monitoring and easy O& M.

Shenzhen ATESS Power Technology Co.,Ltd is a global supplier of solar energy storage and EV charging solutions, who is dedicated to offering our customers worldwide the possibility for energy independence. Based in Shenzhen, China, ATESS has a sophisticated and automated manufacturing plant. An international service network with offices and ...

We have seen the impact of such networks across Sudan for decades. But today, as access to Sudan for humanitarians remains intermittent, they have formed the backbone of the response to Sudan's humanitarian crisis. Indeed, these volunteers are among the few groups able to reach many Sudanese communities in need - especially in Khartoum.

Founded in 2017, Shenzhen ATESS Power Technology Co.,Ltd is a global supplier of solar energy storage and EV charging solutions, who is dedicated to developing and delivering affordable clean energy to every corner of the world, offering our customers worldwide the possibility for energy independence.
