Between 2015 - 2019 Altea Energy supported Rainpower's work on the rehab of two hydroelectric power stations in Manica province, Mozambique. Altea Energy provided us with expert consultants and took care of contracting, work permits/visas, payroll and local employment taxes, providing a

How does Altea energy advertise a job offer?

We advertise your job offer and source candidates through various channels: Altea Energy's network, internal database, job boards, and social media. We screen and select the best candidates through a selective process: CV selection, interviews, soft skills assessment, qualifications and reference checks.

How good is Altea in Algeria?

The local team in Algeria is good in terms of communication and reactivity. The best in my experience with Altea is their prompt responses to any email or message regarding issues and the flexibility and usage of their Consultant portal. I like their responsiveness on administrative issues.
