

What is BCP battery holding?

Funds advised by B Capital Partners AG, have established BCP Battery Holding as a platform to acquire a pipeline of German battery assets exceeding 300MW. As the first asset of this pipeline, the platform has acquired a 60MW battery

Will BCP be the largest battery in Germany?

Once the build-out of the pipeline is complete, BCP will be the largest of its kind in Germany. The first acquisition of the holding platform is the 60MW Smareg 4 battery, located near Eisenach, Thuringia, which is part of a larger pipeline from Smart Power GmbH.
