The official language of Azerbaijan SSR was renamed from Turkic (Türk dili) to Azerbaijani, the ethnicity of Turk marked in Soviet passports became Azerbaijani, and the Latin script of Azeri Turkic was replaced by Cyrillic.¹⁶ It is noteworthy ...

2020-2023 - the Way: Azerbaijan's land power in action. Azerbaijan ended the Karabakh conflict via two highly coherent land campaigns, three years apart, which retook all its lost territory and altered the facts on the ground beyond recognition - the very epitome of decisiveness. There was little of the meat-grinding attrition ...

Geopolitical Significance and Energy Power. Azerbaijan's strategic location plays a vital role in its position as a key hub for international energy and transport corridors. Nestled between ...

The map shows the extension of the State of Shirvanshahs (Şirvanşahs, Azerbaijani: Şirvanşah, r. 861-1538) in Caucasian Azerbaijan of the Aqqounlu Empire over present-day Armenia and Azerbaijan. The capital of Shirvanshahs ...

As part of its commitment, Azerbaijan will revise its national targets in its forthcoming 1.5°C-aligned Nationally Determined Contribution (NDC). The nation's wind energy prospects, both ...

Overall, Azerbaijan produces around four times the energy it consumes and has one of the highest levels of

energy self-sufficiency in the world. In recent years, almost 90% of oil and over 40% of natural gas have been exported. Azerbaijan's domestic total energy supply (TES) relies on natural gas (68% in 2020) and oil (31% in 2020).

Azerbaijan has entered a position that others have been through before. Much to Azerbaijan's displeasure, peacekeeping is not a priority for President Putin, who has more grandiose plans in the South Caucasus. While the world is focusing on the COVID-19 pandemic, Russia has been developing its power in the post-Soviet region.

In Azerbaijan, power plugs and sockets (outlets) of type C and type F are used. The standard voltage is 220 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. Buy a power plug (travel) ...
