The REC Alpha Pure-R hits the sweet spot in terms of power, size, and weight. Built on a lead-free, RoHS compliant platform with high-performance heterojunction cells and solder-free connections for more

durability, the REC Alpha Pure-R comes with a gapless cell layout keeping it compact and achieving a phenomenal power density.

SolarWide undertakes professional commercial solar system installations that will create long-term savings and solid returns on investment. Our mission is to provide outstanding customer service from the time of initial solar enquiry and long after your home solar power solution has been installed, via our detailed aftercare service.

Centrally located on the island's main road, the Aquila store is an unmissable roadside dairy, immediately identifiable by its bright, kaleidoscopic rainbow colours. This store is a one-stop shop for all day takeaways, motorbike and car rentals and a medium sized convenience store that offers a range of products from freshly baked bar bread rolls and sliced bread.

SolarWide designs, supplies, and installs off-grid solar power systems that provide safe and reliable power for a range of applications.
