City Sun Solar initially came out to install our geyser solar panels. With their excellent service and even better prices, we decided to install our solar inverter system. Johan and his team went out of their way, completing the job in the cleanest and most efficient way possible. The team completed the entire installation in less than 2 days.

Ce beau pays en développement possède de nombreuses routes qui ne sont pas éclairées, en particulier dans les zones rurales. Le coût de fonctionnement des infrastructures permettant le remplacement de lampes traditionnelles dans un réseau filaire pour la maintenance est trop cher. Selon les chiffres du ministère gabonais de l'eau et de l'énergie, t ...
