Greenway Battery_lithium battery manufacturers ???? Greenway was founded in 2010. From the start, Greenway has designed and manufactured nothing but battery packs, and that is still our sole focus today. Solution. Light Electric Vehicles. Energy Storage. Consumer Electronics.

DM396 Cell:21700 Nominal Voltage:72V Capacity:40Ah Max. Continuous Discharing Current:100A Communication:CAN Weight:15.9kg Dimension:200*170*366.8mm Water Proof Level:IP67 Compliance with regulations:UNR136 UN38.3 1. High power output. 2. Adopt high energy density 21700 cell. 3. Greenway"s communication protocol can be used, ...

Maeving"s batteries are removable and can be charged from any plug socket. They have the highest energy-to-weight ratio on the planet and feature a unique drop-in connector, enabling seamless integration with the bike upon placement. Designed to be both beautiful and functional, our batteries come with an integrated ca
