Who is infinite energy?

Infinite Energy was engaged by a water utility provider to design and build a bespoke Solar PV and storage solution for a water treatment plant in the Midlands. Infinite Energy was engaged by Murphy's/SBE on behalf of Uisce Éireann to install a 163.7kWp solar array in their Portloman Water treatment Plant.

What are infinite energy centres?

Developed and managed by Infinite and funded by the European Regional Development Fund (ERDF) and Infinite's funding partner Albion Community Power, the Energy Centres are made up of integrated renewable and low carbon generation technologies.

Why do homeowners choose Infinite Energy Group?

Why homeowners choose Infinite Energy Group? "The team we're great, very knowledgeable and clearly love what they do. I went with 12 panels and 5.8kW battery and it's been working great. Thanks" "It was a seamless experience from start to finish. Tom and the team were professional, knowledgeable and worked efficiently.

How does SuperValu & Infinite Energy benefit Gillespie?

SuperValu partnered with Infinite Energy to install a 82.3kWp solar PV system. This investment not only delivers substantial cost savings over the system's lifespan but also significantly reduces Gillespie's environmental impact.

I would strongly recommend Infinite Energy to anyone thinking of installing Solar panels. From my initial enquiry, through assessment, installation, and post installation service, they have been superb to deal. Any queries or issues were dealt with promptly and thoroughly. They also represented as the most honest, and best value, of the four ...
