

Who is Jamaica Energy Partners?

Jamaica Energy Partners is an Independent Power Provider that began commercial operations in October 1995. It owns the Doctor Bird Power Plant, which encompasses the company's production facilities and is located at Old Harbour Bay, in the parish of St. Catherine.

Who is the largest independent power producer in Jamaica?

Jamaica Energy Partners is the largest Independent Power Producer (IPP) in Jamaica with a combined output of 250MW. Our operations include 124MW power barges Doctor Bird I and Doctor Bird II in Old Harbour Bay, a 65.5MW heavy fuel oil power plant in West Kingston, and 60MW slow-speed twin diesel generators in East Kingston.

How does Jamaica's energy system work?

Jamaica's energy system is heavily reliant on imported fossil fuels, with petroleum imports accounting for over 80 percent of electricity production. The country's electricity production is mainly dependent on imported fossil fuels. Here's a quick glance at how the sector has performed over the last five years.

Is Jamaica generating electricity?

However, since that time, Jamaica has not undertaken any electricity generating investment even close to that magnitude. Furthermore, despite the capacity required for replacement and expansion, no progress is obvious on the ground.

How much energy does Jamaica produce?

In terms of energy intensity, in 1970 the Jamaican economy utilized 2.35 BOE to produce each US\$1,000 of GDP. However, by 2008 it was using 2.87 BOE to produce the same level of output. This is in contrast to Costa Rica which in 1970 used 1.61 BOE to produce each US\$1,000 of GDP. However, in 2008 its energy intensity was reduced to 1.19 BOE.

How does JPPC produce electricity?

Jamaica Public Power Company (JPPC) produces electricity using slow-speed diesel generators and HFO for sale to the grid. With the addition of WKPP in July 2012 and the acquisition of JPPC in March 2019, Jamaica Energy Partners' (JEP) total generating capacity has increased to approximately 250 MW, making the company one of the major electricity suppliers in Jamaica.
