Where innovation meets necessity. And education refuses to be dimmed. Where connection thrives in the absence of power. Embrace the power of the sun with StarTimes solar range of solutions. ...

So I have been looking at doing EBC and K2BC with a solar setup and I was trying to research if altitude effects solar panels or batteries. I already know cold effects batteries but what about the reduced atmospheric pressure. This guy seems to think that the reduced atmospheric pressure at 3500m+ makes small solar panels useless.

Wholesale Solar Panels For Sale Homeowners and all types of businesses these days are seeking ways to cut down on their power consumption bill and reduce the overall operational cost. For this purpose, solar energy is the best alternative for them to be cost-effective and energy-efficient. In the upcoming decade, energy costs are estimated to become double. Solar panels ...
