

Is GSE a good company?

Ravi Khanna, President and CEO of GSE, added, "While this transaction maximizes shareholder value, I will miss the passionate shareholders of GSE. As Chief Executive Officer, I've found that GSE has a highly skilled employee base which provides differentiated engineering and technology-first solutions to an evolving industry.

Will Pelican acquire GSE?

Under the terms of the merger agreement, which was unanimously approved by the board of the directors of GSE, Pelican will acquire all the outstanding shares of GSE for an estimated total cash consideration of \$4.10 per share. The consideration per share represents a premium of approximately 50% to GSE's closing share price as of August 7, 2024.

How many installations does GSE have?

With more than 1,100 installations and hundreds of customers in over 50 countries, GSE delivers operational excellence.

All GSE Workforce Solutions > GSE experts help identify solutions and talent to address workforce gaps. The GSE Workforce Solutions team will make sure the right people and skills are in place for customer operations to run smoothly.
