is no need for you to go trawling from one car breaker yard to another, no need for you to visit scrapyards after scrap yard, looking for Battery Parts, no need to spend hours searching online, trying to find a Used Battery Car Part, New Battery in Guernsey Car Part or ...

A tour of one of the four vast German underground bunkers that made up the largest gun battery in the Channel Islands, which was operated by the German Navy. This particular one is in its original condition and shows how much effort went into Hitler's directive of October 1941: making Guernsey into an impregnable fortress.

In less than 10 minutes, you can be on your way to getting up to 3 free solar and battery quotes from our preferred partners for your property. You can also check out recommended solar system sizes, potential bill savings, and more. It's free and without obligation +

The solar battery market is constantly expanding, and more companies are looking to cash in on the increased demand. With a solar battery and a solar panel system, you'll typically save £669 on your energy bills. The upfront cost is high, however, putting the technology out of reach of thousands of UK households who would benefit.
