PowerOn Puerto Rico optimizes a fleet of Powerwall batteries to help prevent power outages when the grid is experiencing high demand. Enrolled Powerwalls will push power to the home and grid while keeping custom backup reserve settings, helping the island stay energized while earning you exclusive rewards. ... As a participant in PowerOn Puerto ...

Reports on restoring power in Puerto Rico indicate that some communities may never be reconnected to the grid. For these unfortunate communities, Water Mission's long-term solutions for ensuring water and wastewater services involve solar-powered microgrids, which function independently from the state's power grid.
