

How can Baker help you save energy?

Whether it's producing highly efficient energy from the sun, using smart batteries to store and optimize a home's energy use or installing and maintaining ultra efficient Air Conditioning and Heating systems, only Baker has the expertise to truly optimize your families comfort and energy savings.

Who is Baker home energy?

Enjoy year-round comfort with efficient air conditioning and heating. Baker Home Energy is Southern California's largest residential roofing contractor. Maintain the sustainability and reliability of your home energy investments with Baker Home Energy's expert servicing and maintenance solutions.

Why should you choose Baker Electric Home Energy?

Baker Electric Home Energy has been recognized on both local and national levels for our outstanding service and contributions to the rise of solar energy in San Diego and across Southern California. Here you'll find a list of recent accomplishments. Why Choose Baker?

What makes Baker home energy different from other solar companies?

Unlike national solar companies, who sell you a solar package then outsource installation to lowest-bid subcontractors, only Baker Home Energy employees work on your installation. They're vetted, qualified, experienced, polite and conscientious. This maintains Baker's quality and service at every stage of the process.

Does Baker's Black Friday offer solar & home battery?

Cut your electric bills with Solar +Home Battery. With Baker's Black Friday Rewards, save thousands on Solar, Battery, and Roofing! Black Friday Bundle! Black Friday Bundle! Bundle up this year with Baker's Black Friday Bundle. For a limited time, Baker is bundling our best promotions into a single offer.

The Baker Home Energy Program includes a 15-year 100% covered solar system. Get all the benefits of solar with none of the responsibility of maintenance and ownership. How It Works. With Baker's Home Energy Program, there are no investment costs to recoup, loan payments to manage, or maintenance needs to take on.
