

Climate change is one of the most pressing issues of our time, and its effects are being felt across various sectors, particularly in energy. As extreme weather events become more frequent and renewable energy technologies evolve, Lumina is meeting the challenges and opportunities that arise. As climate patterns shift, the demand for energy fluctuates dramatically. [...]

The team at Lumina Solar has helped home and business owners across the Mid-Atlantic make the transition to renewable energy. It is our mission to provide you with exceptional guidance and clarity throughout your solar journey. Hear from ...

Lumina Solar is a great choice and amazing company. We had checked out several solar companies over the years but many were fly-by-night, here today, gone tomorrow companies. I read good things about Lumina and called them. My husband was rather skeptical at first but was sick of our now \$250--300 electric bills. Our Lumina rep Chris Richardson ...

"I received prices from a few different companies on our new solar system. Tim Cooke with Lumina gave me the most options and most in depth presentation on the system offerings by far. He also adapted the system to work with our budget. Just had our system of 36 panels installed and it was completed in 8 hours."
