

Does Sun King have a solar inverter?

Sun King has introduced the PowerPlay Pro, a cost-effective solar solution capable of powering lights, high-efficiency refrigerators, and televisions, marking the latest addition to its solar inverter product line. This new model provides a budget-friendly option compared to the more powerful Sun King PowerHub Solar Inverter System.

What makes Sun King a great solar company?

The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia. Today, Sun King operates the world's largest direct-to-consumer, pay-as-you-go (PAYG) solar distribution network, growing by 150,000 new clients per month across seven countries.

Is Sun King a profitable company?

Despite its rapid expansion, Sun King has remained consistently profitable. According to GOGLA, the global association for the off-grid solar energy industry, Sun King now accounts for 38% of industry-wide PAYG solar revenue. This growth has eliminated 22 million tons of carbon dioxide emissions and saved consumers \$4.4 billion in energy costs.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

Does Sun King offer remote monitoring?

Speak to one of our expert solar advisors today. Sun King offers remote monitoring for institutional clients, such as NGOs, businesses, and governments, so that they can monitor the performance of their portfolio of Sun King inverters in real time. Somewhere else in the world?
