

Who is Toyo solar?

Welcome to TOYO Solar,your trusted partner in advanced photovoltaic solar solutions. Established in November 2022,we are dedicated to delivering reliable and comprehensive solar products globally. Our mission is to become a leading full-service solar solutions provider,offering a seamless integration of the entire solar power supply chain.

Is Toyo solar CSA certified?

TOYO Solar Company Limited has also secured CSA certification issued by Canadian Standards Association,or CSA,which is widely recognized and crucial for accessing North American markets. The CSA standards focus on the safety of PV modules and ensures that they can withstand the rigors of installation in diverse geographical locations.

What does Toyo Solar do?

At TOYO Solar, we believe in controlling every aspect of the production process to ensure the highest quality, traceability, and energy efficiency. We cover everything from upstream production, including wafer and silicon manufacturing, to midstream solar cell production and downstream photovoltaic (PV) module production.

How does Toyo solar impact the world?

Join us on this exciting journey as we positively impact the world through solar technology. TOYO Solar is focused on further developing the clean energy industry,adhering to a responsible global supply chain strategy,and contributing to the sustainable development of human beings with more professional,efficient and cleaner products.

How do I contact Toyo solar?
