SUNNYVALE, CA--(Marketwire - May 9, 2011) - NetApp (NASDAQ: NTAP) today announced that it has completed the purchase of the Engenio external storage systems business from LSI Corporation (NYSE ...

Last week's acquisition of Engenio, LSI's external storage unit, by NetApp caught a lot of people by surprise. While NetApp's desire to continue to grow through acquisition was no great secret, its decision to grow by acquiring Engenio did not on the surface initially make a lot of sense to me. After all, why would NetApp, who consistently pokes EMC in the eye for having ...

NetApp has announced that it has entered into a definitive agreement to purchase the Engenio external storage systems business of LSI Corporation in an all-cash transaction for \$480 million. The close is anticipated to occur in approximately 60 days subject to customary closing conditions. The transaction is expected to be accretive to NetApp ...
