

Wallis and Futuna solar power plant for sale

Hull Street Energy (HSE), a US-based private equity firm, has agreed to acquire a portfolio of four thermal power plants located on Long Island, New York, from J-Power USA. The power plants, Edgewood Energy, Shoreham Energy, Pinelawn Power and Equus Power I LP collectively provide 300MW of critical power generation to support New York customers.

Operational since 2013, it is one of the UK's most advanced power plants, providing electricity to 1.8 million households. In 2018 the facility was enhanced by adding a 49MW battery storage system. The strategic acquisition complements TotalEnergies' existing renewable energy operations in the UK, adding a versatile asset to its portfolio.

The Minister of State for Energy Affairs, the president and CEO of QatarEnergy Saad Sherida Al-Kaabi stated: "I am pleased to announce that, in line with our sustainability strategy, we will more than double our solar power production capacity to about 4,000 megawatts by 2030 through the world-scale, 2,000-megawatt Dukhan solar power plant."
